

25th International Conference on Autism, Intellectual Disability & Developmental Disabilities

**Council for Exceptional Children
Division on Autism & Developmental Disabilities (DADD)**

Research-Informed Practice: Infusing Diversity, Equity, Inclusion, and Justice

January 17 – 19, 2024

On behalf of the Council for Exceptional Children – Division on Autism & Developmental Disabilities (CEC-DADD), we are pleased to extend an invitation for you to participate in the Exhibitor/Publisher Display at the 25th International Conference on Autism, Intellectual Disability and Developmental Disabilities. Our conference will be held at the stunning Hilton Hawaiian Village Waikiki Beach Resort, from January 17 - 19, 2024.

The 2024 DADD Conference will integrate research and practice, reflecting the need for evidenced-based strategies and interventions, within these diverse fields. The program features more than 400 lecture and poster presentations; conference delegates may also attend one of three in-depth pre-conference training institutes. Topical areas include assistive and adaptive technology; behavioral supports; coaching & training; communication & social skills; community engagement; diversity, equity, inclusion, and justice; evidence-based practice; employment; life skills & sexuality mental health and well-being; paraprofessionals, post-secondary initiatives; self-determination; and transition across the lifespan.

We anticipate that the more than 600 conference registrants will include educators, paraprofessionals, administrators, researchers, parents, and other professionals within the fields of developmental disabilities and autism. This conference will provide you with an excellent venue through which to market your products, materials, and technology.
